

Bay Area Public Pool Operators Association (BAPPOA) Scholarship Fund

Russell Burror Memorial Scholarship

This scholarship has been created in honor of Russell Burror whose dedication to water safety and professional work in the aquatic industry has made a lasting impact in the Bay Area. Russell started his career as a lifeguard in high school and college. He worked for the EBRP district as a field supervisor and Antioch Water Park as Recreation Specialist encouraging children to swim and training many teens to become lifeguards. He served as a Territorial Aquatics Specialist for the American Red Cross and worked for the Fulton El Camino Recreation District as a Recreation Supervisor in Sacramento before his passing in 2018.

BAPPOA is pleased to offer part-time Aquatics staff the opportunity of additional funding for post high school education in Russell's honor. This scholarship of \$250 will be awarded to an individual who has served the community by working in the aquatics field, will be seeking a post-secondary education, and embodies Russell's passion and determination for raising awareness in water safety and drowning prevention.
